

HOUSE RESOLUTION 121

By Lundberg

A RESOLUTION to honor and commend Diversified Power International, LLC, on the celebration of its tenth anniversary.

WHEREAS, it is fitting that the members of this General Assembly should pause to recognize those organizations that have made substantial contributions to the residential, commercial and industrial development in the State of Tennessee and to provide a better way of life for Tennesseans; and

WHEREAS, founded in 1997 and headquartered in Piney Flats, Diversified Power International (DPI), LLC, is one such organization that will be celebrating its tenth anniversary in 2007; and

WHEREAS, a leader in the field of intelligent battery charging systems, DPI offers new technology and customized solutions that give customers a greater variety of options to meet their battery-charging needs; and

WHEREAS, in what is now a multi-billion-dollar industry with thousands of competitors worldwide, DPI has grown its customer base by 6,000 percent in 10 years; and

WHEREAS, DPI works with companies to identify, monitor, measure, analyze and implement quality processes; and

WHEREAS, DPI's employees design and manufacture battery-charging systems based on new technologies and innovations developed in-house; and

WHEREAS, demonstrating a commitment to creating quality products that help companies reduce costs, DPI offers a complete line of medical and mobility solutions designed to lose less energy while giving batteries a complete charge; and

WHEREAS, DPI offers custom electronics, custom software, enclosures, manufacturing and testing; and

WHEREAS, DPI produces chargers for the “motive power” industry, including pallet movers and golf carts, in addition to servicing retail and industrial products, medical equipment, military defense missiles and robotics; and

WHEREAS, DPI offers a standard inventory of high-volume, cost-targeted, off-the-shelf products, as well as custom designs for lead acid batteries, nickel metal hydride and lithium-ion batteries; and

WHEREAS, DPI’s leading line of products includes one of the most intelligent small chargers on the market, as well as a charger for a robot used by bomb squads in Afghanistan; and

WHEREAS, while maintaining its identity as a global company, DPI remains committed to its philanthropic endeavors in the local community; and

WHEREAS, DPI employees and owners are fully committed to the noble precepts of public service that support Tennessee’s recognition as the “Volunteer State” and should be specially recognized; now, therefore,

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIFTH GENERAL ASSEMBLY OF THE STATE OF TENNESSEE, that we hereby congratulate the employees and owners of Diversified Power International, LLC, upon its tenth anniversary and extend our best wishes for every future success.

BE IT FURTHER RESOLVED, that an appropriate copy of this resolution be prepared for presentation with this final clause omitted from such copy.
